Explore the Redesigned OHSO Website A Stronger Connection for all Ohio DKG Members

Have you checked out the redesigned Ohio State Organization (OHSO) website yet? It's more than just a makeover; it's a refreshed, user-friendly hub designed to focus, connect, inform, and inspire every DKG member in Ohio.

The new design makes it easy to:

- Align with DKG International by exploring links, resources, and programs that support our shared mission to promote both professional and personal growth for women educators.
- Connect with the State Executive Focus Team for updates, resources, announcements, and more.
- Find and share resources from chapters across the state, including links to chapters' websites.
- Access State Committees' information.
- Explore exciting engagement opportunities in DKG at the chapter, state, and international levels.

The redesigned website creates a seamless connection among members, chapters, committees, and the state. It emphasizes our focus on building relationships, increasing membership, and fostering leadership. The website serves as a valuable tool not only for staying informed but also for strengthening the bonds that unite us as DKG women in Ohio.

I encourage all members to spend a few minutes visiting the OHSO website at dkgohio.org to explore the latest updates. Use it to stay connected, discover opportunities, and share our stories with women who might be seeking a professional home within DKG. Together, we can make the OHSO website a vibrant hub that connects us all—member to member, chapters to chapters, across the Buckeye State, beyond borders to DKG International, and through generations of women educators.

What you do makes a difference, and you have to decide what kind of difference you want to make.
