

# Ohio State Organization Webmasters Report

## June 2022

- The Ohio State organization website, [www.DKGOhio.org](http://www.DKGOhio.org), is your go-to-place for documents, answers, reminders, archived issues of **The Voice**, ideas, and important dates.
- Two ways to get answers quickly... HONEST!
  1. Use this generic email.... [info@dkgohio.org](mailto:info@dkgohio.org)
  2. Use the “Contact Us” on the website

- Encounter an issue or error on the website? Contact the webmaster so it can be fixed.
- Need help with your chapter website? The state webmaster wants to help in any way needed.
- Haven't gotten the latest Compliance Seal? You must have it to be linked to International and OSO. The state webmaster can help.
- Your chapter doesn't have a website but you have a Facebook page? Send the link to the webmaster, who also maintains the OSO Facebook page, and she can repost appropriate material to the OSO page.
