### **SEE- Support for Early-career Educators**

In 2012, The Educational Excellence Committee established as its second International project Supporting Early-career

Educators [SEE] to support the vision which states, Leading Women Educators Impacting Education Worldwide.

Support is needed for early career educators because...

- Education is a challenging career
- Retaining quality teachers is a worldwide challenge
- Teachers supporting teachers is vital
- Encourages Chapters/Members to be creative in the a variety of ways they Support Early-career Educators
