

Reinstatement of a Former Member

A former member may be reinstated to membership by making a written request to the chapter.

To download the Reinstated Member Form:

1. Go to the International web site www.dkg.org
2. In the top right corner, type: reinstatement
3. Click: Reinstated Member Form

Members reinstated on or after July 1, and before April 1, pay dues and fees. When members are reinstated on or after April 1, and before July 1, no dues or fees are collected. A Reinstated Member card is completed at the time of reinstatement, by the chapter treasurer. The card is sent immediately to the state organization treasurer who forwards it to International Headquarters. Reinstated members are not initiated again, so no initiation fee is paid by the reinstated member.
